

FACULTY BIOGRAPHY

Bob Geng, MD

*Voluntary Associate Clinical Professor, Allergy & Immunology
Co-Director, AAFA-sponsored Severe Asthma Program
Rady Children's Hospital
Allergy/Immunology Director, Multidisciplinary Atopic Dermatitis Program
University of California San Diego
President, San Diego Allergy Society
San Diego, CA*

Bob Geng, MD, serves as a voluntary associate clinical professor at the University of California, San Diego in San Diego, CA. He earned his medical degree and completed his residency in internal medicine at Washington University in St. Louis, MO. He then completed fellowships in allergy & immunology and clinical pharmacology at the University of California, Los Angeles. Prior to attending medical school, Dr Geng earned both a Bachelor of Science degree, as well as a Master of Arts degree in International Affairs from the School of Foreign Service at Georgetown University in Washington, DC. Dr Geng is board certified in allergy/immunology, clinical pharmacology, and internal medicine.

Dr Geng leads a clinical research team that conducts a number of sponsored clinical trials, as well as investigator-initiated studies in allergic respiratory disease and on primary immunodeficiency disorders in adults and children. Currently, Dr Geng is the President of the San Diego Allergy/Immunology Society, serves on the Editorial Advisory Board of the *IG-Living Magazine* (a primary immunodeficiency patient-focused publication), and is a speaker for the Immune Deficiency Foundation. Dr Geng is also the allergy director of the Multidisciplinary Atopic Dermatitis Program, as well as the co-director of the Severe Asthma Center at Rady Children's Hospital/UCSD sponsored by the Allergy Asthma Foundation of America.

FACULTY BIOGRAPHY

FACULTY BIOGRAPHY

Reid Oldenburg, MD, PhD

Assistant Professor, Department of Dermatology
University of California San Diego
San Diego, CA

Reid Oldenburg, MD, PhD, is an assistant professor at the University of California San Diego Department of Dermatology in San Diego, CA. Dr Oldenburg received his medical degree from Case Western Reserve University in Cleveland, OH and completed his residency at the UC San Diego School of Medicine. He also completed a doctorate in immunology at the Pasteur Institute in collaboration with Université Paris Cité in Paris France. Dr Oldenburg is board certified in dermatology.

Dr Oldenburg is involved in the training and education of medical students and residents at UC San Diego School of Medicine. Outside of clinic, he is dedicated to using translational scientific approaches and clinical trials to study the immunopathogenesis of severe cutaneous adverse reactions, such as drug induced hypersensitivity syndrome, toxic epidermal necrolysis, and reactive infectious mucocutaneous eruptions. He is also investigating novel therapeutics for the treatment of keloids. Dr Oldenburg is a member of the American Academy of Dermatology and the Pediatric Dermatology Research Alliance.

FACULTY BIOGRAPHY

Katie Smiley, PA-C

*Clinic Coordinator, Multidisciplinary Atopic Dermatitis Program
Rady Children's Hospital
San Diego, CA*

Katie Smiley, PA-C, is a certified physician assistant who currently serves as the clinic coordinator for the multidisciplinary atopic dermatitis program through Rady Children's Hospital in San Diego, CA.

Katie received her physician assistant training at George Washington University in Washington, DC and graduated with a master of science degree. She began her professional career in pediatrics prior to relocating to San Diego, CA and Rady Children's Hospital. She is a dual-specialty PA, practicing in both pediatric dermatology and allergy/immunology.
